HISTORIC AMERICAN BUILDINGS SURVEY

WILLIAM WOODS HOUSE

HABS No. MO-1718 A

Location: One mile west of Caledonia, Caledonia vicinity, Washington County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

Springhouse is of log construction. May be of same date as house, or it may be a replacement or an earlier one. At any rate, the type of construction is early enough to be the original.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp and in 1986 by Deborah Fulton, HABS historians. A master list is available in the [REDACTED] records for MO-1800.
